## DECLARATION OF PRINCIPLES

1. We believe in Infinite Intelligence.
2. We believe that the phenomena of Nature, both physical and spiritual, are the expression of Infinite Intelligence.
3. We affirm that a correct understanding of such expression and living in accordance therewith, constitute true religion.
4. We affirm that the existence and personal identity of the individual continues after the change called Death.
5. We affirm that communication with the so-called dead is a fact, scientifically proven by the phenomena of Spiritualism.
6. We believe that the highest morality is contained in the Golden Rule: "Do unto others as you would have them do unto you."
7. We affirm the moral responsibility of individuals, and that we make our own happiness or unhappiness as we obey or disobey Nature's physical and spiritual laws.
8. We affirm that the doorway to reformation is never closed against any soul here or hereafter.
9. We affirm that the precepts of Prophecy and Healing are Divine attributes proven through Mediumship.

## MSCMA

### Madison Spiritualist Camp Meeting Association Inc (Established 1879)

Originally the summer meeting place of the local Native Americans through the 1600's, the area was later settled by the Jedediah Hayden family in the early 1800's. One of the Hayden family heirs, William D. Hayden, set aside some land for the Madison Spiritualist Association in 1879 at Hayden's Grove on the west side of Hayden's Pond (as the lake was then called).

The first two years the meetings were held outdoors until a building was constructed in 1882, which is now the Lakewood Summer Theater. Then in 1895, William D. Hayden bought the building with a condition of sale guaranteeing that the Spiritualists would always have a place to meet on the campgrounds.

As a result, we now own and meet in a small chapel on the grounds. We are in Lakewood Village six miles North of Skowhegan on Route 201, on the West side of Lake Wesserunsett, as it is now called. Being surrounded by the good feelings of all the ancestors, pioneers and people who come to the campgrounds each summer gives the area a strong spiritual attraction and leaves us with a special place to celebrate Spiritualism each summer.

We welcome everyone and invite those of other faiths to investigate the phenomena and teachings of Spiritualism.
